

Journal of Human Development and Capabilities

A Multi-Disciplinary Journal for
People-Centered Development

Co-Editors:

Sakiko Fukuda-Parr, *The New School, New York, USA*

Melanie Walker, *University of Nottingham, UK*

“JHDC is the leading journal on the capabilities approach to human development. It is a key source of cutting edge research for everyone interested in the field in all its aspects...”

Elizabeth Anderson

*John Rawls Collegiate Professor of Philosophy and Women's Studies
University of Michigan, USA*

Routledge
Taylor & Francis Group

Journal of Human Development and Capabilities is a peer reviewed journal which provides new perspectives on challenges of human development, capability expansion, and poverty eradication - human well being, markets, growth, social justice and human rights. The Editors believe that development is more than about economic growth. It is also about improving the well being of people, and expanding the choices and opportunities they have. Development policies cut across economic, social and political issues.
